"Thank you again for all of the hard work your team displayed in helping us get ready for Marriott's Annual Quality Assurance Audit and for the daily partnership between our two organizations. I am happy to report the following:

Total Hotel Cleanliness Score: 98%
Cleanliness of Guest Rooms: 100%

Thank you so much. I know we could not have achieved these results without all of your hard work and dedication!"

"You did a fabulous job...the difference is night and day."

"I am pleased to state that Renue Systems provided us with their services to our great satisfaction. They cleaned ballroom carpets that we thought were unsalvageable and cleaned hallway carpets that are near the end of their useful life and in both instances we were able to continue with the use of the carpets."
