Visakhapatnam Will Get Its Own Entertainment City Soon

Along with these projects, the tourism sector is also working on providing star hotels, food courts, a convention centre, star hotels and more.

HOUSE BOATS

<https://www.verifiedmarketresearch.com/product/houseboats-market/>

- Recreational boat demand is predicted to be high in Europe and North America throughout the projection period since commercial boat usage has expanded in these regions. With approximately 23,000 miles of internal waterways and 43,500 miles of coastline, Europe provides a suitable ecology for its 48 million residents to partake in recreational maritime activities on an annual basis.
- The Houseboats Market has grown significantly in countries like Belgium and Croatia. In European seas, there are an estimated 6 million boats, and over 10,000 marinas provide over 1 million berths both inland and along the coast.

TARGETED INDUSTRIES

Water Entertainment

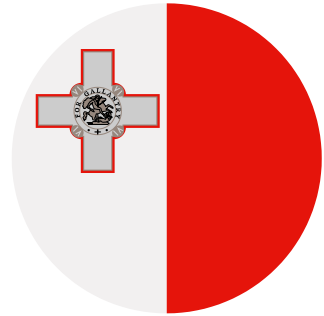

Marine Authority

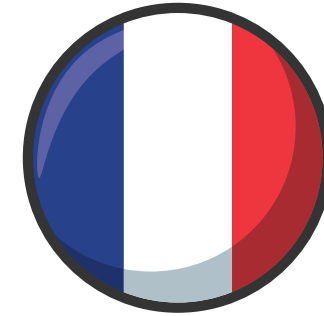

Exclusive lavish holiday

Water Exploration

Eco Donutboats was created to offer a self-drive option for families and friends to go into the mangroves in Abu Dhabi. Since the first 8 boats were manufactured in 2014 each year the fleet grew to 8 boats. Eco Donutboats use 100% solar power to run the electric trolling motor.

Pure Ocean is an endowment fund created in 2017 in Marseille. Its main mission is to support innovative applied research projects around the world, contributing to the protection of fragile marine ecosystems and biodiversity.
